

January 13, 2025

Dear Families:

We are already planning for our 2025-2026 school year and look forward to having your child here at Salem! We are now opening registration for all programs to our current students and their siblings first before opening it up to the public.

Attached is the proposal form for the upcoming school year. The proposal is not your contract. We will create a contract based on the information you provide to us. The proposal and registration fee of \$70 per family should be returned to the office as soon as possible to ensure your child's place in next year's program. We will be filling spots on a first-come, first-served basis. Registration will open to the public on February 3rd.

During the summer, we will email you any paperwork needed for your child's file. Please make sure your email address on file in the office is up to date. If you need the medical paperwork sooner for doctor's visits, please see the office. Let us know if you have any questions!

Thank you,

Tara Fortin

Director
